LET IT BE KNOWN NUNC PRO TUNC

The Heirs of Creation bear witness to the following:

Through the Magna Carta of 1215, the London Corporation used word spells to render those in its colonies unwitting slaves.

Through the Unum Sanctum of 1302 Pope Boniface declared all people incompetent to manage their lives in relation to "God".

Through the C'este Que Vie Act of 1666 all persons were declared dead at sea.

Through the Codex Alimentarius, standards were developed by the Food and Agriculture Organization and the World Health Organization, departments of the United Nations, to control the population of world.

The Indigenous people of North America were declared hostiles and became prisoners of maritime war.

The people of the several colonies of North America called the United States remained prisoners of maritime war during and after the American Revolution.

The people of the United States et al. unknowingly became wards of the U.S. Federal District under the Vatican Roman Empire by registration of its citizens under voting, securities, and birth certificate bonds.

The free flowing waters of Earth have been usurped, poisoned, and sold back to the people by corporate monopolies owned by the Vatican Roman Empire and their agents.

Mother Earth has been raped, plundered and pillaged surreptitiously by the Vatican Roman Empire and its agents for her natural resources.

As HOSTILES in ERROR and FOREIGN SOVEREIGNS coming into alien territory, HERETOFORE under the British Crown, we the undersigned now come forward, inviolable, in full transparency, liability, and responsibility, to correct the record under a flag of truce to gracefully retire all wars and hostilities, declared and undeclared, on land, sea, air, and space against the Indigenous Peoples of North America, We the People of the United States of America, and all Inhabitants of the Earth and Universe.

ACCORD

The Heirs of Creation make the following declarations:

By Universal Law Order, the Earth and Universe have been reclaimed for the People².

By International Law Order and the Right to Liberty and Security of Person³ the Indigenous People of North America are declared free, independent, and self-governing.

By International Law Order and the Right to Liberty and Security of Person³, We the People of the United States of America, the North American Continent, the World, and the Universe ARE DECLARED FREE, independent, and self-governing.

By Universal Law Order (where harm to one is harm to all), International Law Order, and the Convention on the Rights of the Child⁴, We the People, having been abandoned, starved, left naked, and unprotected by the Federal Guardians, do now declare ourselves to be, by default, foreign entities to the United States.

By International Law Order and the January 2013 Ratification of the Right to Liberty and Security of Person⁵, Mother Earth, being expressly protected as a living system under these rights, the waters, skies, air, airwaves, minerals, forests, beaches, mountains, wildlife, and all other natural resources of Earth and the Universe are DECLARED FREE and returned to the care and guardianship of the free, independent, and self-governing heirs of Creation, the People.

By the Law of Rights of Mother Earth⁶ which declares both Mother Earth and all life-systems, inclusive of human communities and ecosystems, to be title holders of inherent rights, interrelated, independent, and complementary, we do now declare Mother Earth to have a lawful personality able, through her human representatives, to bring action to defend her rights.
